

28 April 2010

Dear Russell

**Planning application: 2010/0488  
New Roman House (hotel and student accommodation)**

Overall the Hackney Society is broadly in support of this application. We are glad that the historic street pattern is being reinstated with the extension of Corsham Street and the creation of a public space. We would request more bike storage, and a marked cycle route would be a good addition.

Best wishes

Lisa Rigg
